

Dear {{ contact.FIRSTNAME }},

In today's Newsletter we're back with a new video. This one is of record length so far (close to 60 minutes). But fear not, I promise to make it worth every precious minute you got to spare.

This video is a live, straight out of bed, from the scratch freestyle charting and how my morning routine looks like on the screen. If you ever get to catch a glimpse of Faro is his natural habitat, this would be the closest thing to it ^^

We'll cover Bitcoin and some of the Big Alt Picks. I have faith in all of you, to not only make profits, but also to keep most of what you will make.

The video is on the [Awareify YouTube Channel](#) and **subscribe** if you haven't already + **hit the notification bell** (to be assured you get our new updates directly)

Obediently yours,

Faro
