

Dear **{{ contact.FIRSTNAME }}**,

In addition to my recent market video update, dedicated to Crypto's, I want to share a well made video with you from **Crypto Daily**. Some of you might know him and already follow his channel (he makes some of the best Crypto related entertainment in the industry) and is the best video editor IMO.

Where my market video gets into Technical Analysis with details (*where I'm actually showing you proven methods to make life changing money, for free*), but Crypto daily's video is a good general summary of where we are and what you can expect (he includes on-chain analysis and the upcoming Coinbase IPO as well), which I forgot in my yesterday's video, as it's not to be underestimated.

This single event could turn Brian Armstrong (CEO of Coinbase), into the next Jeff Bezos. (Maybe...)

Anyways, the video is 11 minutes and linked below.

Enjoy!

Yours,

Faro
