

Dear {{ contact.FIRSTNAME }},

In hopes of finding the best time to upload the video, *which was initially was planned for Sunday.* However, local power outages and poor internet connection, not to mention YouTube not allowing our account to stream live with mobile > resulted in one day delay in our newsletter.

With slightly lower webcam quality than usual, but the main importance is the message! New microphone will be purchased as soon as the next trades turn **Green** :)

The new upload is the most important vid so far this year. Especially for those who are not yet invested in Crypto's. Go to our [Awareify YouTube Channel](#) and **subscribe** if you haven't already + **hit the notification bell** (to be assured you get our new updates directly)

Also make sure to follow our Twitter and IG if you are an active trader to know exactly when the big moves are happening!

Cheers!

Faro
