

Dear {{ contact.FIRSTNAME }},

Meanwhile, as the Crypto's are consolidating before likely going higher, I want to remind you of the bigger picture.

I haven't found a better video explaining this than the presentation below from Raoul Pal, it's a gem.

As a member of this community, you know we are a big fan of Raoul and his work.

It's an inspiration to hear him break the Macro picture down about what Crypto means and HOW it will impact YOUR life, sooner than you think.

If anyone texts me with a complaint on how this video is "too long", whilst easily bingeing through Netflix for 2 hours. I will un-sub you from the Newsletter. This community isn't for you :)

The video can be found **in the link below.**

Yours,

Faro
